VISION and MISSION

We envision UNO-Recoletos de Taisay education as a Gospel-inspired apostolate dedicated to providing integral formation of individuals to become responsive and value-laden members of the society.

Mission Statements

We commit ourselves to:

1. Zealously infuse with Gospel values the curriculum of Recoletos Education;
2. Collectively and single-mindedly cultivate the stakeholders' manifold gifts of intellect, will, heart, and soul in a way that ensures their holistic and full growth, thus living out Saint Augustine's motto of *caritas et scientia*;
3. Patiently nurture the stakeholders through the integration of core values and the Augustinian Recollect Charism in all programs to enhance their ability to discern and respond appropriately to any given situation;
4. Continuously develop plans and value innovative programs and functional facilities that ensure excellent and quality Christian education; and
5. Efficiently and effectively implement measures necessary in ensuring the economic viability and social desirability of programs.

Director's Message

Congratulations to Batch '2009, the graduating class of UNO-Recoletos de Taisay, now Colegio San Nicolas de Tolentino-Recoletos. And congratulations, too, for coming up with a yearbook by which you intend to publish your old memories: your shared moments of tears and joys in your journeys as you reminisce your stay in your school the community that cares and educates.

Your yearbook will indeed help you as you journey towards life especially for young people like you who will be busy with the challenges of the university life today. Today, life is full of challenges, as you continue to journey is this kind of society, remember that every inch of your journey is so significant...yearbook can preserved the memories of struggles and beautiful success in the joyous celebration of your high school life.

Good luck to the organizers who crafted this yearbook. It is a challenge for you to capture and put together the recorded moments of your journey together and your moments with the people behind the success of your endeavour. May the good Lord grant you the heart to succeed in life.

Your family, teachers, friends, and benefactors will give them satisfaction that you portrayed a vital role in your community.

More power to all and Congratulations!!!

Truly Yours,

Rev. Fr. James T. Bumangabang, OAR

Principal and Director

Core Values

Integrity "How much wealth is stored within each one of us! But what use is this wealth to us, if we do not invest it?"

Wholeness/Integration "The first step in the search for truth is humility, second is humility and the third is humility."

Discernment "We urge you by the precious blood of our Redeemer to nurture the intellects and hearts of the youth."

Innovation/Pioneerism. "The drops of time are precious to me.. I do not want the hours which I find free from the necessary task of my office to flow away."

CSNTR HISTORY

The UNO-Recoletos highschool de Talisay or currently the Colegio San Nicolas de Tolentino Recoletos was jointly founded by the Recollect Fathers in the town of Talisay who lived and worked in the parish associated in the educational and religious life.

It was when the parish priest Rev. Fr. Florentino Echavari, OAR, whose efforts and dream were conceived to put a school in the poblacion, a plan which was supported by the parishioners and upon the approval of the Mayor of Talisay, Hon Mario T. Lizares, that plan was realized. On January 1, 1971, the cornerstone laying took place before a crowd of Recollect Fathers and the town officials. Pn the same year, the school building had really been constructed and situated along churchyard. Bishop Antonio Y. Fortich of Bacolod City officiated the inauguration on June 15, 1971 and was witnessed by the Recollect community.

UNO-R Talisay started its classes which were composed of two sections with 90 freshmen students with their teaching personnel. As years went on, the trust and confident of the parents showed the spirit, which calls for expansion. The pioneer Recollect administrators were composed of Recollect fathers: Rev. Fr. Florentino Echavari, the first Rector, Rev. Fr. Dioniso Gutierrez, the Treasurer and the Rev. Fr. Jesus P. Recio as the Sports Moderator.

To cope with the students' populace, additional rooms and facilities were constructed; concrete walls were built around the area for student's security and privacy of the school itself. The major trust of the school was the strong implementation of Discipline as essential elements towards the attainment of common good. Moreover, religious instruction re-enforced instruction as the core of the curriculum, and became the mainstream of the institution, thus, setting its reputation as the only private catholic school in the municipality.

Like any other growing school, the turn of years brought tremendous achievements to the school both in cultural and academic fields. Its consistent development and growth garnered innumerable citations more importantly in civic and literary competitions. Another phase of great change in the school was during the 90's and year 2000, where there is an ongoing improvement in the provisions of infrastructure of the school's physical plant as well as the modern facilities, which have been provided and expanded.

To be more responsive to the needs of growing populace, the school has established strong student personnel services, campus ministry clubs, guidance program, computer studies, sports engagements, cultural guild, faculty development program and has organized an active alumni association as well, in consonance with the school's mission statement, of producing young individuals and responsible citizenry who have imbibed upon themselves Quality Catholic Christian and Community-Oriented Education.

City Mayor's Message

My warmest congratulations and heartfelt felicitations to University of Negros Occidental – Recoletos de Talisay High School on its 2009 Graduation Rites.

It's an honor and pleasure for me to share with you the joy of occasion which gives a sense of fulfilment to all the parents and teacher who have worked so hard and sacrificed a lot to bring these students to this happy moment of their graduation. I extend my most sincere best wishes to all graduates who have hurdled the rigorous mental and physical trainings of secondary education.

Truly, the trials and challenges that you will be facing when you enter tertiary education are greater and more difficult. But trust on the determination and dedication which have carried you through all your secondary years and the unwavering support of your parents. Let not the ear of social problems and the global crisis weaken your dream to pursue your goals in life.

The present time characterized constant rapid and social and technological change. I am sincerely grateful to the administration, faculty and staff of this institution for their commitment in fulfilling their mission of providing better quality Christian education to our children to prepare our children to face the kind of world they will be living and the challenges they will be meeting, it is important that we give them the education that is relevant to the current situation and responsive to the needs of the present.

I therefore urge to imbue your teachings with basic moral standards and inculcate into your students the values of good citizenship while you still have them in your guiding hands, so that they will learn to love this wonderful City of Talisay to which they owe so much.

Again, congratulations and best wishes.

Was-was Bugsay Talisay!!!

Very Truly Yours,

IV-A Saint Rita of Cascia

Adviser Message

There are also non-government schools, called private schools. Private schools may be required when the government does not supply adequate, or special education. Other private schools can also be religious, such as Christian schools, hawzas, yeshivas, and others; or schools that have a higher standard of education or seek to foster other personal achievements. Schools for adults include institutions of corporate training, Military education and training and business schools.
